Mitsubishi UFJ Morgan Stanley Securities Co., Ltd.

Climate Bonds Initiative

Mitsubishi UFJ Morgan Stanley Securities Co., Ltd. Joins
Climate Bonds Partners Programme

Mitsubishi UFJ Morgan Stanley Securities Co., Ltd. (“MUMSS”) announces that it has become a Climate Bonds Partner⁽¹⁾.

Since its early stage of Japan's ESG market, MUMSS has been conducting research and development on green bonds and other ESG related products, and has engaged in a series of dialogues with issuers, investors and ESG evaluation organizations in Japan and overseas. MUMSS has been actively involved in the issuance of Green Bonds, Social Bonds and Sustainability Bonds for the first time in various industries in the Japanese market, and has continued to support many transactions for issuers in Japan and overseas.

By joining the Climate Bonds Partners Programme, MUMSS will work together to further develop the green bond market.

MUMSS is aware of the social mission that it should fulfill as a financial institution, and is working to positively contribute to a rapid low carbon transition.

(1) Climate Bonds Initiative is a London-based global institution that invests in projects and assets needed for a rapid transition to low-carbon, climate-resilient economies.

Climate Bonds Partners supports investor and stakeholder activities and educational projects to develop sustainable green bond markets that contribute to climate-change and low-carbon investments.
